## **CONDITION OF ENTRY**

- The exhibition is organized under the approved rules of The International Federation of Photographic Art (FIAP); Image Colleague Society (ICS).
- The exhibition is open to anyone; however, an entry may be rejected when the sponsoring organization, in its reasonable discretion, believes the entry does not conform to exhibition rules and conditions.
- Submission of an entry signifies acceptance of all our conditions.
- Entries must originate as photographs (image-captures of objects via light sensitivity) made by the entrant on photographic emulsion or acquired digitally.
- Each image must have a unique title. Once an image has been accepted in an exhibition, that same image, or a like “in camera” or a “reproduction” duplicate of that image. Words such as “Untitled” and “No Title” are not acceptable as part or all of an image’s title, nor are camera capture file names.
- With the sole act of submitting his/her images or files to a salon under FIAP Patronage, the entrant accepts without exception and with no objection that the submitted images can be investigated by FIAP to establish if these obey to FIAP regulations and definitions even if the entrant is not a member of FIAP; that FIAP will use any means at its disposal for this undertaking; that any refusal to cooperate with FIAP or any refusal to submit the original files as captured by the camera, or failure to provide sufficient evidence, will be sanctioned by FIAP and that in case of sanctions following the non-compliance with FIAP regulations, the name of the entrant will be released in any form useful to inform the breaches of the rules. It is recommended to leave the EXIF data in the submitted files intact in order to ease eventual investigations.
- The exhibition assumes no liability of any misuse of copyright.

## **THEMES**

- 2 sections:
  - **PID Color – Open** (FIAP PID Color) & **PID Monochrome – Open** (FIAP PID Monochrome)
- Each participant can enter up to 4 images per section.

## **DEFINITIONS**

- For PID color, there is no restriction regarding the theme of photos.

- FIAP definition of monochrome: A black and white work fitting from the very dark grey (black) to the very clear grey (white) is a monochrome work with the various shades of grey. A black and white work toned entirely in a single color will remain a monochrome work able to stand in the black and white category; such a work can be reproduced in black and white in the catalogue of a salon under FIAP Patronage. On the other hand a black and white work modified by a partial toning or by the addition of one color becomes a color work (polychrome) to stand in the color category; such a work requires color reproduction in the catalogue of a salon under FIAP Patronage.
